## **TEMPO CREATIVE (ASIA) Internship Program**

### **Global. Rewarding. Fun.**

Tempo is always looking for talent. If you're intelligent, hard-working, have a positive attitude and want to be part of a growing international company then let's talk. We're currently looking for new teammates that are passionate about digital marketing, innovation and technology in the following positions:

### **Jr. Graphic Designers and Web Designers - internships (Indonesia)**

#### **Requirements:**

- Very creative
- Education: Students/Bachelor/S1/Advance Diploma/Fresh Graduate in Graphic Design or multimedia fields
- Awesome portfolio
- Good command in English (both speaking and writing)
- Highly motivated in career
- Proficient in graphic softwares
- Good team work and time management
- Understanding the latest design and internet industries (basic knowledge of web design is a must)
- Willing to work online for a minimum 3 months

#### **How to Apply:**

- Please send your CV/Resume, awesome portfolio, in 2 separate PDF documents
- Please state your working time availability (are you available to work online based, or not)

#### **You will gain:**

- Unlimited working experience with an established and reputable company that will lead you to a fast growing career
- Ability to work and improve your resume and portfolio
- Building your personal skills
